

Maximize Your Brand Visibility at the Annual Conference!

Showcase your company and products by reserving a tabletop exhibit at the 2027 Annual Conference. Unlike the IEOC, this exhibition will run throughout the entire duration of the conference, offering unparalleled exposure to potential customers and clients.

Tabletops will be strategically located in the foyer just outside the ballroom, near the registration area, ensuring high visibility. Setup begins Tuesday afternoon, with teardown scheduled for Thursday following the conclusion of the conference.

Reserve Your Spot Today

To secure your tabletop, select the **NFPA Member with Tabletop Exhibit** registrant type when registering for the conference. The cost is **\$2,000**, which includes:

- One complimentary conference registration
- A tabletop exhibit with two chairs
- Access to power
